

# Paying Through PayPal®

The Malibu Film Society web site uses PayPal payment services to process payments for screening tickets, membership fees, and other MFS events. This provides purchasers with the option to pay with a credit card or through their PayPal account. It is not necessary, however, for purchasers to have a PayPal account to use this service. PayPal processes credit card payments for all Visa, MasterCard, Discover, and American Express cardholders.

## **To Pay by Credit Card When You Don't Have a PayPal Account**

1. Click on an "Add to Cart" button to begin the purchase process. 
2. The first PayPal Page will be displayed (see the screenshot on the next page). On this page, simply click the "Pay With a Debit or Credit Card" button. It is not necessary to enter your email address and password unless you already have a PayPal account, and choose to pay with that account.
3. The next page (see the screenshot on page 3) is where you will enter your credit card information. After you have filled in your credit card information, check the checkbox for "*PayPal's User Agreement Privacy Policy and Electronic Communications Delivery Policy,*" then click the "Agree and Pay" button. On the final screen you'll be able to review the details of your purchase and, if all the information is correct, complete the purchase transaction.
4. After the purchase is acknowledged, you can return to the MFS web site by clicking on the "Return to MalibuFilmSociety.org" link.

While the Malibu Film Society does not require that members have a PayPal account in order to purchase event tickets through the MFS Online Reservation System, some people find that the service offers features they find useful. If you would like to know more about the service, click [here](#).
